01 PUBLIC CULTURAL SERVICE CENTER

BASIC INFORMATION The center is located in the Aviation New City in the north of Zhengzhou Airport Economy Zone. It is enclosed by Binhe East Road, Beihu 8th Road, East Side of Zhangbagou, Dongtingghu Road, Consulate East Road, Taihu Road, Qiancheng East Road, and Chaohu Road, covering an area of about 13.67 square kilometers. Focusing on the central business and cultural center, it is planned to build a CBD and an integrated urban service area in the Airport Economy Zone, build an international consumption center, a fashion center, a core area of the free trade zone, an international settlement center for cross-border e-commerce, and a foreign affairs center, and cultivate a youth-friendly city and a modern and dynamic new city.

INDUSTRY ORIENTATION Focusing on business and trade, government affairs and culture, aviation finance, and technology R&D, it is planned to improve the comprehensive service industries such as education and medical care, culture, tourism and health care, and sports and leisure, and accelerate the layout of emerging industries.

KEY PROJECTS

BUSINESS AND TRADE

- PROJECT DESCRIPTION** Business office, business and trade projects will be introduced, and priority will be put on introducing corporate headquarters, star hotels, and large international duty-free shopping centers.
- COOPERATION MODE** Joint venture/cooperation
- CONTACT PERSON** An Weiwei
- CONTACT INFORMATION**
 - ☎ 0371-86199880
 - ✉ swjfwyc@126.com

EDUCATION AND MEDICAL CARE

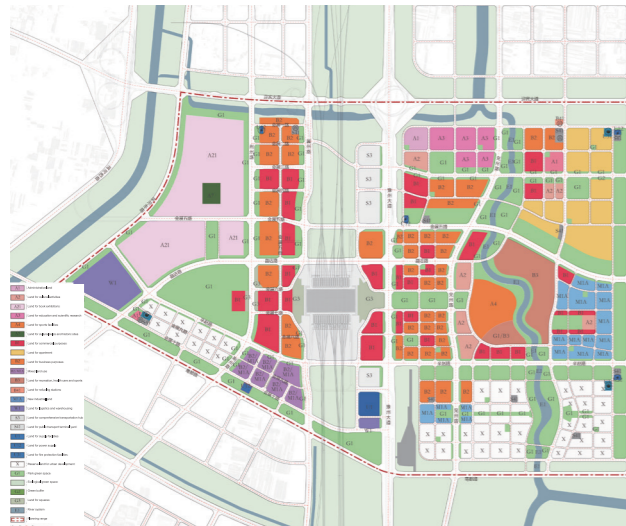

- PROJECT DESCRIPTION** It is planned to introduce high-quality educational resources, top medical institutions and hospital branches.
- COOPERATION MODE** Joint venture/cooperation
- CONTACT PERSON** An Weiwei
- CONTACT INFORMATION**
 - ☎ 0371-86199880
 - ✉ swjfwyc@126.com

TECHNOLOGY R&D

- PROJECT DESCRIPTION** Technology R&D and scientific and technological innovation projects will be introduced, and priority will be put on introducing the strategic emerging industries such as AI, digital economy, and industry focusing on carbon peaking and carbon neutrality.
- COOPERATION MODE** Joint venture/cooperation
- CONTACT PERSON** An Weiwei
- CONTACT INFORMATION**
 - ☎ 0371-86199880
 - ✉ swjfwyc@126.com

CULTURE, TOURISM AND HEALTH CARE

- PROJECT DESCRIPTION** It is planned to introduce the cultural and creative industry, as well as characteristic cultural tourism complex projects, and waterfront health care projects.
- COOPERATION MODE** Joint venture/cooperation
- CONTACT PERSON** An Weiwei
- CONTACT INFORMATION**
 - ☎ 0371-86199880
 - ✉ swjfwyc@126.com

02 INTERNATIONAL ECONOMIC & CULTURAL EXCHANGE CENTER

BASIC INFORMATION The area is located in the central area of Zhengzhou Airport Economy Zone, with a planned area of about 16.7 square kilometers. It borders Yingbin Avenue in the north, Bodu Road in the south, Binhe East Road in the west and Xuzhou Road in the east.

INDUSTRY ORIENTATION It is planned to build a "3+10" core functional system, that is, three centers including the Silk Road Convention and Exhibition Trading Service Center, the International Cultural Exchange Center, and the Chinese Manufacturing Basic Service Center, and ten functional systems of distribution and transportation, convention and exhibition trading, business services, cultural display and trading, international conferences, cultural industry, headquarters business, talent training and enterprise cultivation, technology R&D and achievement transformation, and commercial buildings changed to residential uses.

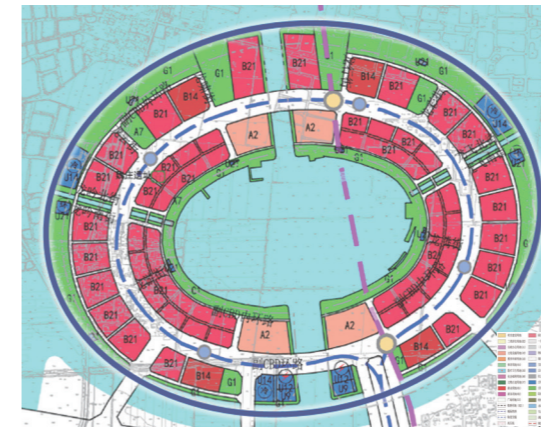

KEY PROJECTS

CONSTRUCTION INDUSTRY CLUSTER PROJECT

- ▾ **PROJECT DESCRIPTION** It is planned to introduce construction enterprise headquarters.
- ▾ **COOPERATION MODE** Joint venture/cooperation
- ▾ **CONTACT PERSON** An Weiwei
- ▾ **CONTACT INFORMATION**
☎ 0371-86199880 ✉ swjfwyc@126.com

SPECIAL EXHIBITION CITY, COMMERCIAL FACILITIES, HOTELS AND OTHER SUPPORTING PROJECTS

- ▾ **PROJECT DESCRIPTION** Supporting facilities projects such as commercial facilities, hotels, conference centers, business offices, and entertainment facilities will be introduced.
- ▾ **COOPERATION MODE** Joint venture/cooperation
- ▾ **CONTACT PERSON** An Weiwei
- ▾ **CONTACT INFORMATION**
☎ 0371-86199880 ✉ swjfwyc@126.com

03 FINANCIAL ISLAND AREA

BASIC INFORMATION The area is located in the Longhu Island in Zhengdong New District. It is enclosed by 44 building complexes on the inner and outer rings, with a planned area of 1.07 square kilometers. It is functionally positioned as an international regional financial center serving the financial industry with the support of an international urban style, an international modern industrial system, and an international operation and management level.

INDUSTRY ORIENTATION Priority will be put on introducing licensed financial institutions such as banks, and securities, insurance, trust and assets management companies, and their regional headquarters.

KEY PROJECTS

FINANCIAL INSTITUTION PROJECT

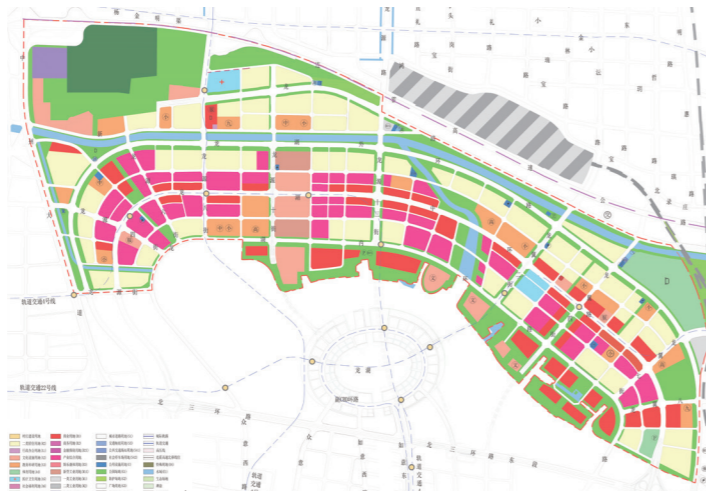

- ▾ **PROJECT DESCRIPTION** Licensed financial institutions will be introduced to settle in the Financial Island.
- ▾ **COOPERATION MODE** Settling in
- ▾ **CONTACT PERSON** Wang Shuo
- ▾ **CONTACT INFORMATION**
☎ 18538923188
☎ 0371-67179750

04 NORTH LONGHU AREA

BASIC INFORMATION The area is an important part of the Zhongyuan Science and Technology City, with a planned area of 14.5 square kilometers. It is enclosed by the north bank of Longhu, Longyuan Road, Zhongzhou Avenue, Lianyungang-Khorgos Expressway, Eighth Longyuan Street, Xinlong Road, Thirteenth Longyuan Street, Longhu Outer Ring North Road, and Longhu Outer Ring East Road.

INDUSTRY ORIENTATION The Zhongyuan Science and Technology City has formed a "2+N" industrial system dominated by digital industry and life sciences. In terms of digital industry, with AI and information technology application innovation technology as the core, it is planned to carry out research on such industrial segments as autonomous driving, intelligent robots, information security, commercial passwords, and software services. In terms of life sciences, priority will be put on the layout around medical and engineering integration, high-end medical apparatus and instruments, cell and genetic medicine.

KEY PROJECTS

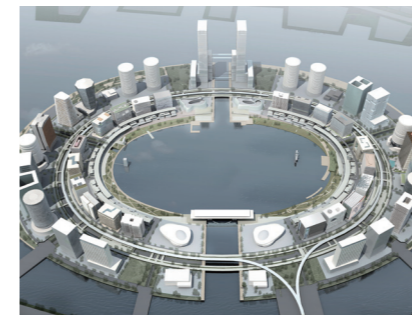

IT PROJECT

- ▶ **PROJECT DESCRIPTION** Effects will be made to introduce AI projects such as AI technology, autonomous driving, and intelligent robots, and related projects such as mobile Internet and smart city.
- ▶ **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- ▶ **CONTACT PERSON** Liu Chong
- ▶ **CONTACT INFORMATION**
 - ☎ 18037878771 ☎ 0371-86199880 ✉ swjfwyc@126.com

CUTTING-EDGE TECHNOLOGY PROJECT

- ▶ **PROJECT DESCRIPTION** Efforts will be made to introduce cutting-edge technology projects such as quantum communication, quantum computing, and blockchain, and science and technology finance projects such as big data finance, AI finance, and blockchain finance.
- ▶ **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- ▶ **CONTACT PERSON** Liu Chong
- ▶ **CONTACT INFORMATION**
 - ☎ 18037878771 ☎ 0371-86199880 ✉ swjfwyc@126.com

LIFE SCIENCE AND TECHNOLOGY PROJECT

- ▶ **PROJECT DESCRIPTION** It is planned to introduce biopharmaceutical projects such as pharmaceutical R&D, new vaccine R&D, and genetically engineered medicines, and digital life projects such as digital health, gene sequencing chip and program, and immunologic diagnosis based on big data.
- ▶ **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- ▶ **CONTACT PERSON** Liu Chong
- ▶ **CONTACT INFORMATION**
 - ☎ 18037878771 ☎ 0371-86199880 ✉ swjfwyc@126.com

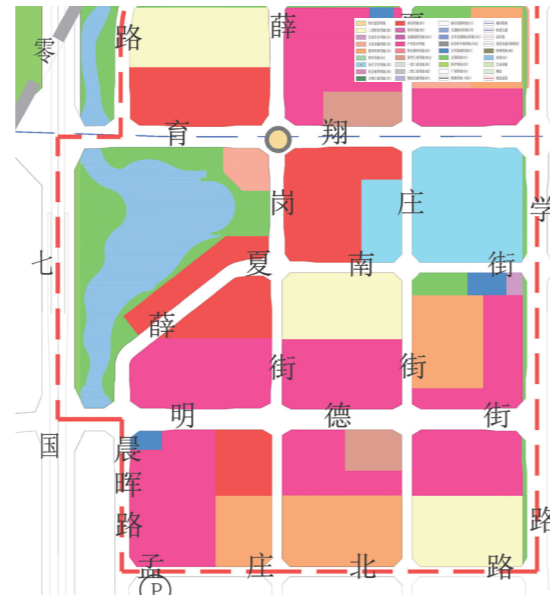

INNOVATION PROJECT OF FAMOUS SCHOOLS

- ▶ **PROJECT DESCRIPTION** It is planned to introduce research institutions, laboratories, and standard and certification platforms of famous schools.
- ▶ **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- ▶ **CONTACT PERSON** Liu Chong
- ▶ **CONTACT INFORMATION**
 - ☎ 18037878771 ☎ 0371-86199880 ✉ swjfwyc@126.com

05 YUNHU BIG DATA INDUSTRIAL PARK

BASIC INFORMATION The area is an important part of the Zhongyuan Science and Technology City, with a planned area of 1.9 square kilometers. It is enclosed by East Third Ring Road, Yuxiang Road, Chenhui Road, Jialu Street, Boxue Road, Mengzhuang North Road, and Mingde Street.

INDUSTRY ORIENTATION Priority will be put on the development of AI industry, big data industry, and information technology application innovation industry, and efforts will be made to introduce science and technology enterprise headquarters.

KEY PROJECTS

BIG DATA PROJECT

- **PROJECT DESCRIPTION** Cutting-edge technology projects such as big data, blockchain and AI will be introduced.
- **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- **CONTACT PERSON** Geng Dongxu
- **CONTACT INFORMATION**
 ☎ 15690868787 ☎ 0371-66672712

HEADQUARTERS PROJECT

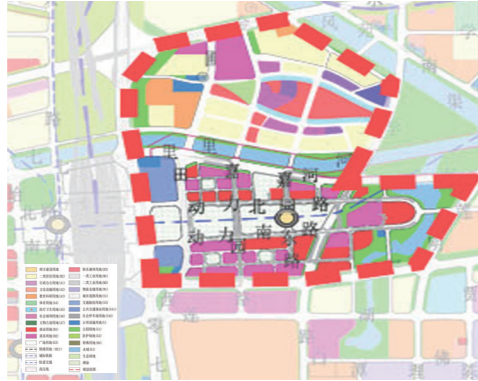

- **PROJECT DESCRIPTION** It is planned to introduce the R&D centers and operation centers of well-known enterprises at home and abroad, Fortune Global 500 enterprises, multinational corporations, listed companies, and industry leading enterprises, to build an enterprise headquarters base.
- **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- **CONTACT PERSON** Geng Dongxu
- **CONTACT INFORMATION**
 ☎ 15690868787 ☎ 0371-66672712

INFORMATION TECHNOLOGY APPLICATION INNOVATION PROJECT

- **PROJECT DESCRIPTION** It is planned to introduce enterprises that are engaged in information technology application innovation, information security, cloud service, and system integration.
- **COOPERATION MODE** Sole proprietorship/joint venture/cooperation/settling in
- **CONTACT PERSON** Geng Dongxu
- **CONTACT INFORMATION**
 ☎ 15690868787 ☎ 0371-66672712

06 EAST SQUARE OF ZHENGZHOU EAST RAILWAY STATION · ZHENGDONG NEW DISTRICT

BASIC INFORMATION The area is located in Zhengdong New District, with a planned area of 3.4 square kilometers. It is enclosed by Jinshui East Road, Dongfeng Canal, Mingli Road, Shangding Road and East Third Ring Road. It is functionally positioned as a regional management, trade and finance headquarters cluster.

INDUSTRY ORIENTATION It is planned to build a cluster of high-end commercial office buildings, high-end trade projects, and headquarters and regional headquarters of Fortune Global 500 enterprises at home and abroad, top 20 enterprises in the industry, and listed companies.

KEY PROJECTS

HEADQUARTERS PROJECT

▮ **PROJECT DESCRIPTION** It is planned to introduce the headquarters or regional headquarters of well-known enterprises at home and abroad, Fortune Global 500 enterprises, multinational corporations, listed companies, industry leading enterprises, and large trading enterprise.

▮ **COOPERATION MODE**
Sole proprietorship/joint venture/cooperation/settling in

18 TH CORE AREA OF JINKE SMART CITY

BASIC INFORMATION Located in Jinshui District, with a planned area of 1.14 square kilometers. It lies in the center of roads such as Xuanli Road, Baoying Road, Guanli Road, Hongbao Road, Baorui Road and Malin Road. It will serve as a first-class pilot area for the development of digital economy and a cluster for the development of digital business forms in China, creating the most advanced area along the Yellow River Science and Technology Innovation Belt.

INDUSTRY ORIENTATION Guided by the new-generation information technology, it focuses on fostering and developing emerging industries such as information security, Internet, artificial intelligence, big data and blockchain, among others, striving to build a new highland for the development of digital economy.

KEY PROJECTS

JINKE SMART CITY PROJECT

PROJECT DESCRIPTION Located in the east of Chongli Road and south of Baorui Road, the project covers an area of about 17.67 hectares. In addition, it has a building area of 596,000 square meters and RMB 4 billion investment in total. Focusing on information security, it will introduce new-generation information technologies such as industrial Internet, artificial intelligence, metaverse with blockchain and 5G.

19 ROYAL CITY CULTURAL SITE OF SHANG DYNASTY SECTION

BASIC INFORMATION Located in Guancheng Hui District, the section is planned to cover an area of 3 square kilometers. It is surrounded by Shuncheng Street, Xiong'er River, Chengdong Road and Shunhe Road, consisting of six areas including Xiyanglou Area, Southern Shuyuan Street Area, Northern Shuyuan Street Area, "Two Institutes" (Zhengzhou Shang Dynasty Site Museum and the Archaeological Museum of Zhengzhou Institute of Cultural Relics and Archaeology) Phase II Area, Tawan Ancient Street Area and Bodu Ancient Alley Area. It will represent a modern revival of China's ancient capital and build a world-class Yellow River civilization root-seeking destination and a tourist destination of excellent traditional Chinese cultural experience.

INDUSTRY ORIENTATION Xiyanglou Area and Southern Shuyuan Street Area will focus on ancient city wall ruins sight-seeing and cultural experience of Royal City of Shang Dynasty. Northern Shuyuan Street Area will be built into a City Commercial Vitality Center. "Two Institutes" Phase II Area will be built into a Center of Urban Life Aesthetics. Tawan Ancient Street Area and Bodu Ancient Alley Area will be built into a Characteristic Central Plains Culture Block with temple fairs experience activities.

KEY PROJECTS

THE PROJECT OF ROYAL CITY CULTURAL SITE OF SHANG DYNASTY

PROJECT DESCRIPTION The project of Royal City Cultural Site of Shang Dynasty in Zhengzhou covers an area of 28.1 hectares (about 422 mu). Northern Shuyuan Street Area: the business layout of the City Commercial Vitality Center will include an inclusive commercial center for all customer groups, Henan Opera Theater, New Tianzhong Academy and Leisure and Art Block. "Two Institutes" Phase II Area: the business layout of the Center of Urban Life Aesthetics will contain art exhibitions, artistic furnishings, life aesthetics experience and artistic peripheral products. The business layout of Southern Shuyuan Street Area will involve cultural experience of Shang Dynasty, digital cultural creativity, immersive entertainment, and trendy commerce. The business layout of Tawan Ancient Street Area will include local delicacies, experience of central plain folklore and intangible cultural performances. The business layout of Bodu Ancient Alley Area will be comprised of courtyard hotels, characteristic homestays, art galleries and cultural and creative commerce.

22 XINGZE ANCIENT CITY SECTION

BASIC INFORMATION Located in Huiji District with a planned area of 10.7 square kilometers, this section is enclosed by North Fourth Ring Road, West Fourth Ring Road, Suoxu River, Kaiyuan Road, and the northern extension of West Third Ring Road. Based on a three-in-one organic renewal design concept of inheriting the traditional culture, upgrading the industries, and revitalizing urban space, this section will be built into an epic-level landmark of Chinese civilization, performing functions including cultural heritage, leisure & vacation, healthcare, and art experience.

INDUSTRY ORIENTATION Targeting the cultural tourism industry, this section will be built into a complex integrating culture, business and tourism.

KEY PROJECTS

XINGZE ANCIENT CITY CULTURE AND TOURISM INTEGRATION PROJECT

PROJECT DESCRIPTION The first phase of Xingze Ancient City culture and tourism integration project has a planned area of 992 mu (about 66.47 hectares), with 268 mu (about 18 hectares) of a model zone. Characteristic cultural blocks such as South Street, Qunfang Street and Shuyuan Street will be established to enrich the tourism formats including catering, housing, transportation, traveling, shopping, entertainment, healthcare, health maintenance, and learning. In addition, related series products of cultural IP venues, intangible cultural heritage halls, museum clusters, comprehensive theaters of performing arts, and conference centers with characteristic homestay will be constructed according to plan.

25 TH KANGBAI-WANS · CANAL CULTURAL CITY

BASIC INFORMATION Located in the northwest of the central urban area of Gongyi City, the area has a total area of about 6.9 square kilometers, among which construction land is 3.5 square kilometers and Yiluo River ecological landscape belt is 3.4 square kilometers.

INDUSTRY ORIENTATION With the structure of Yiluo River with two banks, and eight districts gaining development in canal banks against landscape, we will develop the pillar culture and tourism industry with creativity from the cultural features of Henan business, the Silk Road, the canal and the Yellow River. The river banks are flanked by service with different themes, for example, the left is canal culture exhibitions while the right is services related to the canal culture, forming a distinct city-landscape city feature. We will promote the integrated development of local culture, business and tourism and expand the development of central urban area to Yiluo River, injecting impetus into north old area of Gongyi. 10 square kilometers in the vicinity of the city will be renovated to be an innovative driven force for regional integrated and coordinated development, building a canal culture city with distinct features.

KEY PROJECTS

KANGBAI-WANS SILK ROAD CULTURE CITY PROJECT

PROJECT DESCRIPTION The project will build a culture tourism town based on the culture of Henan business and Heluo. Additionally, it will build a Silk Road-themed town integrating entertainment, leisure, resort and sightseeing, as well as an international holiday town integrating healthcare, sports, housing and business along the Yiluo River.
